THE ALPHA-OMEGA

# DEDICATION

MR. GILBERT P. TREMBLAY

It is with the deepest gratitude and admiration that we, the Class of 1964, dedicate "The Alpha Omega" to Mr. Gilbert P. Tremblay.

In the past year, he has guided and directed us in becoming mature and useful citizens of our communities. As our class advisor, he has given unity to our class, teaching us group co-operation and responsibility. As an individual, he has, by example, demonstrated honor and high character-guideposts for our own futures. When we have needed guidance he could be depended upon for wise counsel; when we have needed reprimanding, he was there with the needed stern word; but likewise, when praise was deserved he was the first to give it.

As individuals we owe him very much and as a class, we wish to express our profound and intense appreciation for all that he has imparted to us.

*Bonnie,*

*It has been a distinct  
pleasure to have you in class,  
as well as to know you as a  
person.*

*Sincerely,  
Gilbert P. Tremblay*

Greetings, Seniors,

An air of urgency parades our time. It is present in international relations, in government, in politics, in business, and especially in education. It is a time for action. You are now a vital cog in our society.

It is a time for new ideas, bold adventures, and new directions.

Opportunities abound for you to take part in developing new ideas and charting the course for the future.

For six hours a day our school doors have been open to you to accumulate new knowledge, new insights, new inspirations. You have participated in debates, heard lectures, taken part in panels, had interviews, watched demonstrations and exhibits. With these you have the tools to fashion the future.

Your participation in the future will determine the value of education to you. May your association with colleagues locally, nationally, and internationally bring you inspiration, stimulation, and resourcefulness in directing the destinies of our communities, our states, our national government, and even the world of the future.

You are the citizens of tomorrow.

Sincerely yours,

Mr. John H. Small  
Superintendent

Seniors:

The most important objective of education in our society is the attainment of wisdom; the ability to make wise decisions based upon clear thinking and understanding.

The educated individual is one who is able to choose between good and evil, truth and falsehood, the worthwhile and the worthless. His education will have prepared him to make the many decisions necessary in planning a good life and conducting it properly. In our society the individual must make these decisions for himself if mentally capable. If he is unable to do so and must have his life planned for him, then he is no longer free.

The educated individual must be prepared to take part in shaping the future of our world, making sound decisions in the home, on the job, and at the polls.

As the class of 1964 goes forth from North Middlesex Regional High School, I encourage you to continue your education with the aims I have outlined as goals For Your Future. You will not all achieve these goals, but in striving to reach them you will become better citizens of our country.

Sincerely yours,

*Herbert H. Marshall*

To the Seniors:

Congratulations! You have had a successful year at North Middlesex Regional School. The associations you have had here are to be partially terminated, although you are always welcome here at your school, as alumni. Your parents and your teachers are now no longer as available for guidance. Your next report card will be a pay check, and a time clock will be available for checking your punctuality and absences. Your fondest desire to be on your own is close at hand. Your future challenges are great, and your responsibilities will be even greater. The world is yours, it's up to you from now on in. Therefore I wish for you the best of health, happiness and prosperity in the years of challenge ahead.

Sincerely yours,

*Andrew J. O'Donnell*

## *Class History*

In the fall of 1961, a coalition was formed between the small states of Pepperell and Townsend to create a new and larger state, the United Republic of North Middlesex. During the past three years we have grown to know and appreciate the talents, leadership, and working abilities of our fellow comrades.

In the first year of the Republic, a state wide convention was called to nominate and elect the heads of state. They were as follows: Prime Minister, Frank Wells; Assistant Prime Minister, Nancy Allard; Head of Secretariat, Barbara Manning; and Chancellor of the Exchequer, Cheryl Moore. To eliminate the tax burden, we held two very successful dances for the support of the state.

A second state wide convention was called in which Peter Matsen was elected Prime Minister, Nancy Allard, Assistant Prime Minister, Carol Boucher, Head of Secretariat, and Cheryl Moore, Chancellor of the Exchequer. To improve diplomatic relations, the Republic was host to the citizens of the neighboring Senior Community of Pep Town at a reception called "Coral Capers." We also entered into a treaty with said community to sponsor a prom in the spring called "Moonlight and Roses." Our diplomatic envoys to the Girls' and Boys' Summit Conferences were Barbara Manning and Jeanne Manceau, and John Annala and Frank Wells.

At the height of success, we entered the third year of our Republic. Peter McClellan was elected Prime Minister, Bonnie Newingham, Assistant Prime Minister, Susan Phillips, Head of Secretariat, and Cheryl Moore, Secretary of the Exchequer. In a history of our state, the *Alpha Omega*, edited by Barbara Manning, we recorded the successes and triumphs of our state, including a record of our journey to Mt. Monadnock to view the neighboring nations, our motto, "Ask not what your country can do for you, but what you can do for your country," our mascot, the panther, our flower, white rose, and our song, "You'll Never Walk Alone." Our Prime Minister, Peter McClellan, was also elected Ambassador to Student Government Day.

Our state was dissolved with our graduation into the larger nations of society. We go forth eager and ready to meet the challenges of the future.

## Class Prophecy

We are now celebrating our 20th anniversary and the best Russian service is provided for us by Capt. *Lukashin* pilot and Capt. *Bratov* and *Dmitri Bennett* navigators. We check in at the Hotel Lura which is located across the street from the Ministry of the *Rail Union* which operates the telescreen.

After our evening meal everyone attends the Green Cheese Music Hall. *Mr. Mayor* of Ceremonies, presents the moon's premier of the *Buzz Show*—directed by *Dora Kato*. We are kept in stitches by *The Nurses*, *Jane H. Co* and *Jane H. Co*. We have a lovely intermission program of waltzes, conducted by the Johann Strauss of the moon, *Bonnie Newingham*.

The next day, in preparation for the night's activities, *Peter McMan* goes to *Barny (Horse)* the Barber. Everyone manages to see *David (John)* *Rental* the dentist. *Doris Rotten* had to be careful not to get a traffic ticket with her taxi service because the eagle eyes of the *Mechanic (Bobby)* were watching for speeding cars. The headline of the newspaper entitled *A Heroic Moment* was "Big Brother *Cliff Hanger* Overthrews First Woman President, *Cliff's* *Mother*." Looking through the pages we read *Russell Symphon*'s review on *Doris Rotten's* autobiography *My Sister*. We also read that *Sarah Peck*, the moon veterinarian, is letting all her classmates borrow their animals at her hospital free of charge. In the Classified Ads section we found two advertisements: "Mick and Bob Myers' *Maid and M* Rocket Supply Shop" is selling spare rocket parts, and *Sarah Peck* and *Sarah Symphon* are selling the latest models of Volksockets. *Cliff Hanger* has a column solving other people's problems (for a charge). *Doris McMan* appears in the comic strip called "Cugs." We also learned that *Barny (Sarah)* and *Barny's (Cynthia)* Circus is in town. *John Keene* has submitted a new recipe for *Peter McMan's* *Barney McMan Gratitude* and *John Keene* is selling newspapers at their news stand.

Unfortunately, everyone is not able to attend. *Duke* (*Conley*) has gone West and the *Hannuon* twins have gone their separate ways. *Room* flew south for the winter, and *Bonnie* flies over the ocean. The shrew, *Mike* (*Maclean*), and his harem of *Diana*, *D.J.*, *Joan*, *Leah*, *Susan*, *Helen*, *Jeanne*, *Margaret*, *Jacqueline*,

Boys' entertainment consisted of *Karl D. Jones'* sports show with Mike Luce's  
Luce lifting weights, Roy Brown and Ed D. McLean's high jumping and  
Billie Luce's marling. When these two shows were finished the members  
Bennie Peterson and Billie Luce as second and third Jackie Gleason's pro-  
vided some of the funniest entertainment. The Harmon's at the piano provided  
background music for the folk songs sung by Luce and Luce and Karl D.

Among *Bennie* the class only fortune telling expert, grace over party and  
to do our fortunes by reading our horoscopes by the *Globe of Luce* or *Billie Luce*  
Electric night bulbs. She predicts that Butch Luce and Jerry Luce  
would be arrested for drumming up business for *Dave Luce* the undertaker.  
*Dave Luce* will star in the new movie version of *Cleopatra* with *Luce*  
*It's a Wonderful Life* with a new actor *Harold Luce* will write the  
best selling book of the year *Luce's* of Roy Brown's *Bennie* since she has  
just become a practical nurse will soon introduce a tablet to Mike Luce and  
*John Luce* to cure the common cold. *Max Luce* will appear in the  
latest play called *The Moose Trap* by *Roy* will read driver ed at the  
moon's new school *Luna-Tic*. *Dan Arsenault* and *Rita Rantamaki* will soon  
begin lumber operations in the co-operatively owned *Greenwood Forest*  
*Verde Greening* and *Billie Luce*. And you can win *Bennie Luce*  
your money on *Pam Kobut's* prize race horse.

At the conclusion of the reception, *Luce* and *Mike Luce* played the Irish jig to  
the tune of *Bennie Luce* Scottish bagpipes for a picture taken by *(Dave)*  
*Gage* and *(Billie)* *Harmon* Pictures Inc. *Roy* and *Billie* the senior class

Bonnie,  
I didn't know  
what to say so  
I bought you a cover.  
But to quote your  
famous statement.  
I'm sure I've gotten  
much more out of you  
than you've gotten out of me.  
I think your the best senior  
in the whole class. And I want  
to wish you good luck in everything  
you do

-Bonnie-  
of a real swell girl that  
I'll always remember. Always  
remember the good times  
we've had. I know I will. I'm  
sure you'll always have the  
best of luck in everything you  
do, but anyway - Best of luck -  
to a real sweet kid.
